Rehearsals Start For Pride and Prejudice

On the night of June the fourth in the open air theater, the annual commencement play will be presented. The players this year have selected "Pride and Prejudice", a sentimental comedy in three acts which was written by Helen Jerome and adopted from the novel of the same name by Jane Austen.

The play concentrates on Mrs. Bernet's determination to get her daughters married. Jane, Elizabeth and Lydia are likely-looking girls in an unlikely-looking period when a woman's possible career is matrimony. It will be a wife success. Anything else was failure.

Jane with her Mr. Bingley and Lydia with her Mr. Wickham are quite content with things as they are; but not Elizabeth! She refuses to marry Mr. Collins whom she deprecates and Mr. Darcy whom she secretly adores.

The play is a story of the duel between Elizabeth and her pride and Darcy and his prejudice. Each gives in before the evening is over and pride and prejudice meet halfway.

A tentative cast has been chosen which includes: Jacqueline Smith, Katherine Burgess, Abbie Bourke, Alice Dew, Frances Curtis Smith, Elizabeth Clark, Ellen Easterly and Alice Phillips, all of whom are senior members of the Dramatic Club.

Y. W. Installs New Officers

Miss Flora Ryan was installed as president of the Young Women's Christian Association of the State Teachers College at a very impressive installation service held in the Open-Air Theater at eight P. M. Sunday, May 9. The other officers who took their positions for the coming year are Misses Maude Rae Smith, vice-president; Elizabeth Woodbridge, secretary; Bertha Shapleigh, treasurer; Helen Hyde, freshman commissioner; and Louise Otley, ex-officio member.

Miss Frances Gray Nash, former president, spoke at the candlelight ceremony which took the place of the usual Sunday night Devotional service. The members of the old and new cabinets were impressively dressed in white, and the P. W. C. A. Vested Choir, under the direction of Miss Fay Luther, provided the music for the occasion.

At a cabinet meeting held on Wednesday, May 5, the chairman of the Y. W. C. A. committees were chosen. Miss Doris Lafon is in charge of Devotionals; Miss Flora Lee, Campus Social Service; Miss Virginia Barrett, Finances; Miss Charlotte Davis, Entertainment; Misses Margaret Ashby and Virginia Jones, Music; Miss Medora Forbush, Town Girl Committee; Misses Catherine Roberts and Jessie Crockett, Vespers; Miss Mary Lou Wilcox, Publicity; Miss Mary Estes, Church Relations; Miss Betty Garden, Social Committee; Miss Dorothy Miller, World Fellowship Committee; and Miss Henrietta Roberts, the newly formed Property Committee.

Miss Frances Gray Nash was president of the association for the present year, and her cabinet consisted of Misses Jacqueline Clark, vice-president; Frances Curtis Smith, secretary; Frances Sherman, treasurer; Flora Ryan, freshman commissioner; Ann Lipscomb, ex-officio; Mrs. Dodd, Dr. Young, and Dr. Cook, advisors.

John Marshall Gives Unique Program Here

Glee Club, Orchestra Present Convocation Program Friday Entertainment Is Interesting

Such a bustling crowd on the campus! Men's voices! Any newcomer on the hill might have thought that the college had suddenly become co-ed and that those forty or so boys were the incoming freshmen. In reality though, such a stir was caused by the eighty boys and girls comprising the John Marshall High School Orchestra and Glee Club.

Coming from Richmond on buses, the young musicians arrived here at about five o'clock. After giving a sample of their singing in the Dining Hall, they went into a more serious program at Convocation.

The first part of the program was made up of hymns and included O God, Our Help in Ages Past rendered by the orchestra and Glee Club, and Crusaders Hymn, O Jesus Thou Art Standing, Christ the Lord is Risen, Today, Faith of Our Fathers, Crown Him With Many Crowns, The Church's One Foundation, sung by the Glee Club without accompaniment. The a-cappella selections were performed extraordinarily well. The last musical selection of part one was "O Worship the King" in which the orchestra accompanied the singers. The principal of John Marshall, Mr. Harwood, gave a brief talk explaining the place of hymns in the church. This talk proved both instructive and entertaining.

The second part of the program was made up of three secular songs: "The German Folk Song", the Czechoslovakian Dance Song, a catchy bit which required great skill in singing, and Kathryn's Wedding Day. The last two numbers brought forth encores.

The orchestra then played the Benjamin Franklin March with such a martial air that it was hard to keep one's feet still, and the heads started bobbing up and down everywhere. Valse Treste, by Sibellus, proved interesting and enjoyable. In concluding the orchestra part of the program, the selection "Two Guitars" was played. As an encore, the orchestra then concluded the program with "Echoes From the Opera."

Both the college girls and the John Marshall students enjoyed the dance that followed the program in the gymnasium. Entertainment was provided by Roland Leveque's orchestra when at about ten o'clock, the buses started back to Richmond, we realize that John Marshall High was responsible for a very profitable and lovely evening.

New Council Takes Oath

On Monday, May the tenth, the Student Council held its annual installation of members—the new government going into effect on Tuesday morning. Those to take the oath of office were Louise Otley, president, Mary Burgess, vice-president, Lucy Payne, secretary, Elizabeth Trimble, treasurer, Evelyn Andrews, Elizabeth Wilson and Helen Pressley, house-presidents of Mary Ball, Virginia and Frances Willard Dormitories respectively, Barbara Gaines, representative of the Sophomore class, Charlotte Booker, representative of the Junior class, Calvert Spillman, representative of the Senior Class and Flora Ryan, president of Young Woman's Christian Association, ex-officio.

Prior to this year there has only been one house-president for the tri-union, but under a new ruling there will be from now on a house-president for Madison and Custis as well as Mary Ball dormitories. The two girls who will fill these positions will be elected at the beginning of next year.

For the past year Student Government, under the capable leadership of Miss Anne Lipscomb, has been most effective. New rules have been made and old ones splendidly enforced. Next year a number of former council members will remain on the group.

Have gone on their places filled by new members. At any rate the same co-operation will be expected from the student body, for it is really they who comprise that organization known as Student Government.

Juniors Plan Annual Dance For Seniors

In the spring the Juniors and Seniors fancies turn to thoughts of the Junior-Senior Prom (and not too lightly either) for the upper classmen it is one of the culminating events of their college careers. This year's Junior Class promises the best entertainment ever. Jean Plante, president of the class of '38, announces that she is in receipt of a most fetching letter from Mr. Leveque saying that his Richmond friend, Mr. Marshall Rotella, will be glad to furnish the music for the occasion. The seniors don't doubt member just how well the Rotella orchestra plays since they played at the same dance last year.

One hundred and twenty-five couples are expected to attend. Since none of the other dances have been held on the roof garden, this will be the first of the season. By May 29, the weather conditions should be supremely favorable. If it rains—not only will there be some malevolent maledictions slung at the weather man, but some fond hopes will be ruined.

The figure-dance that's to be an attraction of the first order, Joan Plante and her escort will lead, followed by the Senior President Alice Phillips, and other members of the Junior Class.

The Juniors and Seniors take this opportunity to crow over the Freshmen and Sophomore classes. This is one occasion where they just don't rate, so here's wishing them a pleasant evening and warning them that callers must leave at ten fifteen.

She is a member of Alpha Tau Pi and Alpha Phi Sigma, is on the Bulletin staff, is a Junior class officer and is a member of the Athletic Association.

"Annie" makes this statement: "I am overwhelmed, but, when you write it up don't forget to mention the fact that I am a great help to the Glee Club."

The house president of Virginia Hall for the next year will be Miss Elizabeth Wilson, daughter of Mrs. Lucy McGee Wilson of Charlottesville, Virginia. Miss Wilson is a sophomore English major and is a member of the Riding Club and of the Athletic Association.

A new policy will be inaugurated next year, when both Dolly Madison and Mary Custis Dormitories will have a House President. Election for these two offices will be held in the fall.

Students Present Piano Recital

A delightful recital was presented Tuesday, May the fourth in the college auditorium, by the pupils of Miss Nora Willis. This recital is one of the annual musical events for the Student Body. This year, a novel two piano concert was arranged.

The opening selection was the familiar Waltz of the Flowers from Tchaikowski's Nutcracker Suite. Evelyn Berg, and Betty DuPre played this selection. A shorter number, "Prelude in A Major," by Arensky followed, played by Ruth Clark and Zelma Timberlake. The next offering was an arrangement of Clemente's "Soratina" by Pauline King and Bess Dobbins. "Danse Macabre" by Saint-Saens proved to be very entertaining as played by Jane Aldrich and Pauline King. Following "Danse Macabre" came two selections, Back's "Invention number eight," and Greig's "Betertry," played by Eanne Johnson and Betty Dupre.

The concluding number was the well known "Concerto" written by Greig and arranged by Granger. Evelyn Berg and Pauline King executed it in an admirable manner.

Generally the voice students and piano students present a joint recital. This year for the first time there was a departure from this practice. Miss Eva Taylor Pipes announced that the voice pupils will give their recital soon.

lstry Section, had charge of that group on Friday, May 7th.

Dr. Edward Alvey, Dean of this school, presented a lecture on the "Development of a Descriptive Rating Scale for Student Teachers" in the Education Section at the convention.

Leading professors of the Sciences at various other schools and colleges in this state were represented.

New Curriculum Course Offered

A course, beginning March 6, in the new curriculum for teachers will be offered every Saturday morning at 10:30, conducted by Dr. Edward Alvey, dean of the college.

This course will provide a thorough study of the basic philosophy and organization of the new curriculum in the schools of Virginia. Teachers will receive assistance in developing units appropriate to the grades and subjects they are now teaching. Special attention will likewise be devoted to the concrete problems derived from the use of the new curriculum in the College Training School where the teachers enrolled in the course will have an opportunity to observe in both the elementary and secondary schools. Arrangements are in progress for three Saturday sessions of school at the training school.

This, a three-credit course, is to end about the middle of May.

Miss Carolyn Wheat has recently been appointed to teach in Delta-ville, Va.

Clare Tree Major Co. Presents Play at FHS

Rebecca of Sunnybrook Farm, a play, presented by the Clare Tree Major Company with an original New York cast, was given at the Fredericksburg High School, Wednesday, March 10, at 3:30 p. m., under the auspices of the Parent-Teachers Association. This familiar story is taken from the book of that title.

The Clare Tree Major Children's Theater of New York is the only organization of its kind in the world. It is made up of three companies of adult actors and actresses of wide experience in the theater who annually present a series of plays for children in all the large and a few smaller cities of the United States. Miss Major came to this country sixteen years ago as an English actress. She began with plays in New York City. Later there developed two companies travelling in a 300-mile radius around New York. Now there are three companies stretching out over fifteen states and into Canada.

This play "Rebecca of Sunnybrook Farm" has been voted as one of the best-liked plays for children.

Sophomores Plan Unique Benefit For April 2nd

After all these many weeks of waiting it's almost here. You know what I mean—the big event—the great attraction—the stupendous presentation that each and every individual here on the hill has been awaiting with almost unbearable curiosity and anxiety. Talent, real talent, presented in a unique—a different—a spectacular manner. Music that will soothe your muddled minds; dancing that will require all your will power to make your own feet keep from moving around. Dialogue that will send the corners of your mouth scurrying upwards. A story that will hold your interest through the entire program. All this and more too are included in one amazingly new type of entertainment—the benefit of benefits which those capable, mastershownen, the Sophomore Class—of course—are entitling you to see on April the second, nineteen hundred and thirty seven.

Riding Club News

The Riding Club of S. T. C. will formally open its spring season on Monday, March 22. One hundred students have enrolled to take advantage of the unusual opportunities offered for those who wish to participate in this popular sport.

A thorough course in Riding Instruction will be offered to beginning, intermediate and advanced students. Fundamentals of the sport will be acquired in the instruction ring—later, when the riders have learned to manage their mounts, these ring lessons will alternate with trail trips.

A teacher's course is being offered for advanced riders to meet the demands of those who wish to assist in this sport in Summer Camps and private schools. Physical Education majors feel the need of such a course as riding is a major sport. Students who enroll for this course acquire knowledge of efficient equitation, and the responsibility of teaching and caring for other riders. They conduct classes, under supervision in the ring, and take charge of road trips . . . planning and supervising them.

The club expects to carry on its usual round of activities such as, breakfast and supper rides and the annual Horse Show which will be held in the latter part of May. Every rider participates in this show competing in a class of riders of equal ability. A silver loving cup will be presented to the winner of the jumping class, and all blue ribbon winners will compete to have their names engraved on the S. T. C. Riding Trophy. This is the highest honor climaxing the riding season.

For the past year Student Government, under the capable leadership of Miss Anne Lipscomb, has been most effective. New rules have been made and old ones splendidly enforced. Next year a number of former council members will remain on the group. Others will have come on their places filled by new members. At any rate the same co-operation will be expected from the student body, for it is really they who comprise that organization known as Student Government.

Juniors Plan Annual Dance For Seniors

In the spring the Juniors and Seniors fancies turn to thoughts of the Junior-Senior Prom (and not too lightly either) for the upper classmen it is one of the culminating events of their college careers. This year's Junior Class promises the best entertainment ever. Jean Plante, president of the class of '38, announces that she is in receipt of a most fetching letter from Mr. Leveque saying that his Richmond friend, Mr. Marshall Rotella, will shed to furnish the music for the occasion. The seniors no doubt remember just how well the Rotella orchestra played since they played at the same dance last year.

One hundred and twenty couples are expected to attend. Since none of the other dances have been held on the roof garden, this will be the first of the season. By May 29, the weather conditions should be supremely favorable. If it rains not only will there be some malevolent imitations slung at the weather man, but some fond hopes will be dashed.

The figure, well that's to be an attraction of the first order. Jean Plante and her escort will lead, followed by the Senior President Alice Phillips, and other members of the Junior Class.

The Juniors and Seniors take this opportunity to cross over the Freshmen and Sophomore classes. This is one occasion where they just don't rate, so here's wishing them a pleasant evening and warning them that eaters must leave at ten fifteen.

Members Of Faculty Speak At U. of Va.

Pressley, Wilson, Andrews Are Named To Serve On Student Council Next Year

On Wednesday night, May 5th a meeting of the Student Body was called for the purpose of electing the House Presidents of the various dormitories for next year.

Miss Helen Pressley, daughter of Mr. and Mrs. I. S. Pressley of Elkridge, Maryland, was elected president of Frances Willard. She is well known on the campus as a vivacious Junior elementary major. She is a member of Alpha Tau Pi and Alpha Phi Sigma, is on the Bulletin staff, is a Junior class officer and is a member of the Athletic Association.

"Annie" makes this statement: "I am overwhelmed but when you write it up don't forget to mention the fact that I am a great help to the Glee Club."

The house president of Virginia Hall for the next year will be Miss Elizabeth Wilson, daughter of Mrs. Lucy Marie Wilson of Charlottesville, Virginia. Miss Wilson is a sophomore English major and is a member of the Ruling Club and of the Athletic Association.

When asked for a statement, she said, "I feel quite honored and would be very happy if Dr. Shankle hadn't given me a test for comfort now then I could go home this week-end."

Mary Hall will have for its president Miss Evelyn Andrews, daughter of Mr. and Mrs. L. V. Andrews of Martinsville, Virginia. She is a Junior "Major" and is better-known as "Andy." She is a member of the Athletic Association and of the Dramatic Club. Miss Andrews says, "I ain't making no statements."

A new policy will be inaugurated next year, when both Dolly Madison and Mary Curtis Dormitories will have a House President. Election for these two offices will be held in the fall.

Students Present Piano Recital

A delightful recital was presented Tuesday, May the fourth in the college auditorium, by the pupils of Miss Nora Willis. This recital is one of the annual musical events for the Student Body. This year, a novel two piano concert was arranged.

The opening selection was the familiar Waltz of the Flowers from Tchaikowski's Nutcracker Suite. Evelyn Berg and Betty Dufre played this selection. A shorter number, "Prelude in A Major," by Arensky followed, played by Ruth Clark and Zolma Timberlake. The next offering was an arrangement of Clement's "Saratoga" by Pauline King and Bess Dolbins. "Danse Macabre" by Saint-Saens proved to be very entertaining as played by John Aldrich and Pauline King. Following "Danse Macabre" came two selections, Back's "Invention number eight," and Greig's "Bitterfly," played by Eanne Johnson and Betty Dufre.

The concluding number was the well known "Concerto" written by Greig and arranged by Grabner. Evelyn Berg and Pauline King executed it in an admirable manner.

Generally the voice students and piano students present a joint recital. This year for the first time there was a departure from this practice. Miss Eva Taylor, Egan announced that the voice pupils will give their recital soon.

lary Section, had charge of that group on Friday, May 7th.

Dr. Edward Alvey, Dean of this school, presented a lecture on the "Development of a Descriptive Rating Scale for Student Teachers" in the Education Section at the convention.

Leading professors of the Sciences at various other schools and colleges in this state were represented.

If It Weren't For You

Beginnings always have something novel about them. As we send the first issue by the new staff of the *Bullet* to press, we are hopeful that you will find something vital which will appeal to you. Fundamentally a College newspaper is the work of the whole Student Body. You make the news! It is up to us to present the facts in an attractive and original way.

As we take over the work of putting out the *Bullet* we realize the magnitude of the task before us. It is our aim to uphold the high standards of literary ability set forth by the retiring staff. Yet we wish to go one step higher. We are endeavoring to include columns which points of interest to our readers. To make this a success we need your advice and your criticism. Speak your views and we will try to embody them in our policies.

Our first step has been to enlarge the Staff—to make the *Bullet* representative of a larger number of students. If you are interested in trying-out for a position on the staff of *YOUR* publication, don't hesitate, but make your desires known to the Editor. With your sincere support the new staff hopes to publish a paper of which you will be justly proud, because of its reflection of the high standards of our College, both as to ideals and to spirit. Support the *Bullet*—help make it new, vital, alive, and novel.

Introducing Mr. and Mrs. Peter Peck

—E. Bodwell

Pretty Mrs. and handsome Mr. Peter Peck looked very much delighted as they peered through the iron bars which separated them from the uniformed man in blue who was watching them.

"But, officer," Mr. Peck was pleading, "I tell you—you've got to take my word for it. I—I tell you I did have them, but I don't know where they are now."

"Sorry," returned the officer, "there's nothing, not a thing, I can do about it. You'll just have to wait 'til the Capt'n comes in. He ought to be here soon. Why don't you just sit down and take it easy—You and your wife. If what you tell me is true you won't have much difficulty. Come now, take it easy and stop your worrying."

Mr. Peter Peck, his well proportioned face clouded not a little bit by the humiliation he was suffering, took his wife's dainty hands in his and looked deep—oh very deep—into her eyes.

"Darling! I Oh, what an awful mess. Can you ever forgive me? I must have been crazy. I must have lost my mind but" he stopped for

a moment and looked questioningly at the woman he adored so much, "but you will forgive me?"

"Peter, you dear, of course I forgive you and you mustn't worry so. After all it isn't as though you had murdered some one in cold blood. They can't do anything very extreme and, Peter, we are together and that means oh so terribly much."

"Mrs. Peter Peck," Mr. Peter Peck's voice grew very earnest "Mrs. Peter Peck, will you answer one question for me?"

"Of course I will, Peter, if I can."

"Well, then are you positive, sure certain and undoubtedly glad you gave up your freedom to be with me for a mighty long time?"

"Glad? Why Peter, I'll never regret it. I'd rather be with you than have all the freedom in the world." And the way she said it made Mr. Peter Peck realize that he was indeed fortunate to have met someone like Mrs. Peter Peck who had given up her freedom to become his wife and who even now was willing to stand by his side and face him the captain of the honeymoon cruiser "Shadows" with the knowledge that a very excited groom had forgotten the tickets.

Society

Miss Betty Andros, one of our last years students, has returned to her home in Sanford, Maine, after spending last week with Virginia Jones.

Mother's Day seemed to be the day for as many flocking home as any other day yet this year. It seemed as though the "flur" was practically deserted. Some went to the Blacksburg Dances, others went to Charlottesville, and Ashland seemed to hold some attraction for many.

Mary Jack left last Friday for the Blacksburg Dances, of course that's V. P. I. Della Ricks, who lives in Blacksburg also went in that direction.

Maude Fox visited her old suitemate, Anne Edwards in Richmond last week-end.

Phil Hersh and Lucile Holloway hied off to Bowling Green while little sister Skippy Hersh journeyed to Harrisonburg S. T. C. to visit a friend there.

Annie May Harris, Louise Godwin, Mary Crehan, Betty Davis, and Lorene Potter took their cuts and spent a pleasant week-end in Charlottesville. Their paramount interest was the Academy of Science.

Lois Peterson, that is to say "Fete", was in that Apple Blossom Festival Crowd. The Connecticut Yankee stated that it was quite an event.

Kay Everhart went home with Sophia Elsmann to Newport News for last week-end. They both skipped out on Friday, took their cuts and said they didn't miss a trick.

Virginia Gonzale visited in Waynesboro last week-end. She had to compensate herself in some way, said Virginia, for after all, she couldn't go home.

Grundys was nowhere to be seen last week-end, and here's the reason. Hampden-Sydney claimed her. She had the best of times though and said she didn't miss S. T. C. one minute during the whole week-end. There's a record.

Alice Phillips scooted off to Ashland for the best of good times.

Frances Cutchin went home with Ruth Phause. Ruth lives in Norfolk.

Lily Ruff enjoyed her stay in Schley, Virginia, as did Beasie Leonard who visited in Remington last Saturday.

Among those who went home were: Evelyn Riggs, who went to Norfolk; Leighton Stevens, who lives in Roanoke; Varina Britt, of Franklin, and Sylvia Garfinkel, of Hopewell.

Nancy Herr entertained Lorraine Beck at her home in Charlottesville.

Jean Moore and Ruth Moseley were among the many who went to Washington last week-end.

Kay Ross, that Kentuckian we have in our midst usually, escaped to Petersburg to spend some time last week.

Virginia Reel visited in Marshall, Virginia, and May Lawrence Showard tromped home with Virginia Shenk.

Ida Lee Taylor took "Jo" Inskip home with her to see her prize cold fish.

Virginia Northan left Thursday to white away a few days in Richmond.

"Skippy" Miltstead blew in while we were making up the *Bullet* so we just had to mention that she was a week-end visitor.

country bumptin sitting nervously rustling a pile of papers, opening and shutting drawers and dropping pencils to the floor under the annoyed eye of the manager. This was Thursday the 29th.

Why did the good Lord have to bring about a flood at this time. All thoughtful and more considerate states had seen to it that their flood season was of the past and now only food for good conversation. But Virginia—no—she had to wait a few days before May Day before she let her many waters descend, of course not considering a very much upset person in Maine whose beautiful vacation had been smashed when she picked up the Portland papers only to read of Fredericksburg's disaster.

Naturally she knew the position of the school and had to illusion that that was drifting helplessly

about. But a vacation under flood conditions did not seem too exciting.

Flash—A wire for Miss A.—"Waters receding. Transportation O. K. Come ahead."

That was at four o'clock. Five o'clock found a much rattled, excited and fussed young thing throwing—yes throwing clothes into a bag. Six o'clock she was on her way.

Well, frankly, she never had been so excited. Her arrival was even much more than she had anticipated. Everyone seemed glad to see her and she never had been more excited or thrilled in her life. So many did come back for May Day and it was so wonderful to see her friends again. It was a series of—I remember—I remember—that lasted far into the night.

Changes—yes lots of them. First of course—freshmen—campus offer-run with them—and all such cute girls—but strange—extremely friendly, but somehow, as the days flew by she felt more and more out of the general swing. Wednesday afternoon not a familiar girl passed her as she sat on campus from three to five P. M.

The campus, too—that was a wonderful chance to her, for at home winter was still clinging on and seemed there to stay. The whole campus never before looked so beautiful—it never can be more beautiful.

Of yes—another thing—"clarettes" they call 'em something new in Fredericksburg. One no longer gasped or looked shocked or thought somebody deliciously wicked when confronted with cigarette smoke still about them—a great improvement.

Girls changed too, girls in her class. Some who never had caused much attention were now most prominent. This too was all for the best. They had matured so in only one year.

But time flew—where, she didn't know, she'd only attended one class—her favorite, and done just the things she wanted to do, all but write this article, for she never could write and say what she wanted to say, but let me tell you, she is going to be mighty school sick when she gets home.

Modern Portias Give Dance

"Let's Face the Music and Dance" might well apply to last Thursday night, for the Modern Portias gave a formal dance for the students and faculty. The affair started at 8:30 that evening and lasted until 10:30 P. M.

On entering the gymnasium the students were amazed at the lovely decorations. A soft pink glow pervaded the room, for aha! the lights were covered with pink crepe paper. There was green pine around the railings and pines in boxes in each corner of the room. The six baskets of mixed spring flowers gave the appearance of gala affairs. At each of the basket hoops was hung one of these baskets of flowers. The color combination of purple and pink made one think of "Puttin' on the High Hat." Mrs. Elkins of Fredericksburg supervised the decorations with the assistance of Dr. Shankle and Betty Osborn.

Loveque's orchestra made everyone want to be in a dancing mood. His renditions made everyone feel like "Swing High, Swing Low." No one was in the mood for leaving when they heard the familiar strains of "Farewell to Thee."

hair dress.

On peeping in at Pitt's Menu for the coming weeks I see some excellent films which probably will appeal to most of us.

On May 17 and 18 the popular crooner, Bing Crosby, and the one and only girl with a mouth, Martha Raye, will be in town in "Wakiki Wedding." In the supporting cast are Bob Burns, who plays the part of a Hawaiian lover, and Shirley Ross, who sings with a delightful manner. The picture is a musical and among the many popular melodies which are in it are "Sweet Is the Word For You," "Sweet Lullaby," and "In a Little While Heaven."

The "Garden of Allah" starring Marlene Dietrich and Charles Boyer will be on the 20th and 21st. This is a well-known story of two people's attempt to reconcile religion and love. Incredibly beautiful in color and technique Charles Boyer, as the monk is superb and Marlene Dietrich is more masklike than ever.

Sylvia Sydney and Henry Fonda in "You Only Live Once" will be here on the 24th and 25th and on the 27th and 28th "Swing High, Swing Low" with Carole Lombard and Fred MacMurray will be in town.

Feg's daily drawing, *Seein' Stars*, appears daily in hundreds of newspapers. His *Stars* are all movieland heroes and heroines, but Feg could turn his spotlight on his own family for some stars. For Digestion's Sake... SMOKE CAMELS

THE delightful effect of smoking Camels with your meals and afterwards has been proved again and again in the great laboratory of human experience. Explorers, champion athletes, people in hazardous outdoor work, as well as millions of men and women in homes and offices, find that Camels get digestion off to a good start and make the perfect ending to a meal. When you enjoy Camels, you are rewarded with an increased flow of digestive fluids—alkaline digestive fluids—so important to good digestion. And you can enjoy Camels as often as you like! He then pulled down a map on the world, and in a conscientious endeavor to verify his statement, Ila produced a pair of those Bird-Studying Binoculars and gazed raptly at the map. "Sister Anne, Sister Anne, I see a speck of dust on the horizon etc."

Did you know that Bid Badwell not only writes excellent poetry and prose, but is also an artist of note. She specializes in Modernistic Art, though. She sketches daschund Daschunds. Such movement she puts into it!

Four more weeks, the Seniors and Two-Year Girls are saying, and time is going to fly all too fast till the end of school. Things to do, gee! there's the Daisy Chain, The Junior-Senior Prom, then class day exercises, not to mention moving-up-night, and the Alumnae Dance.

May Day snapshots are interesting to say the least. There are some lovely ones which promised to be soooooo good, except that just as the camera clicked, the lady—sitting next-to's elbow intervened, or the lady down in front took off her hat. Still Mary Ellen and Chris got a monopoly on the good ones. They are threatening to start selling them at as high as ten cents a piece.

The worst flood in ninety years, well yes, in our institution of higher (thank goodness!) learning, we were well provided for. Some girls used the scary impression that was in some of the papers to great advantage. One girl sent a postal home which read something like this, "Shortage of supplies due to flood conditions, please send cakes!"

Another amusing incident that could readily be connected with the accounts in the newspapers of the flood was to be found last week during a spring shower. You remember no doubt that there was danger that there would be a shortage of pure water owing to a threatened destruction of the city's system? Any stranger in the vicinity would have snickered to see the rain falling in torrents, and the sprinkler on the central campus still merrily revolving just like there'd been any danger.

Elsie Lee Davis, pondering as to whether or not she should attempt to pass Geography of Eurasia, still couldn't decide. Thinking that it would be wise to learn just what the course was about, she asked, "Just where is Eurasia, anyhow?"

Support Your Team

The baseball games have started. We have four teams. What we need now is supporters. We admit that everyone on the campus cannot play baseball, but we know that every girl on the campus can yell. Nothing helps like a lot of noise when you make that special point that wins the game. We crave supporters. The games are on the upper field, which is near the dormitories. There are no hills to climb. It isn't cold. Now where's your argument? No one has any really good reason for staying away, and besides, it's fun. What we need is loads of yelling and a whole lot of backers to help the best team win. The games are on the eighth hours, so come on out. If you can't hit a ball you can cheer someone else ability.

Feminine Flares

Perfect clothes—no trouble—the right thing for every occasion. Smart girl, how do you do it?

Let us take some time off, for the day offers many surprises. Rise above the morning neat in a casual dress to do your shopping—wearing a crisp little frock of charming tulle. It is grand for morning shopping, for it won't like a head of lettuce in the sun. Why not choose a lovely shade of open blue belt and peeping—with this wear a black straw cartwheel, a hat that thwarts the sun. It is just the thing! Tailored enough for sports costumes and dressy enough to fit in for an afternoon of more feminine design. It keeps off the morning sun and sets-off the girl—who could ask for more?

Listen girls—linen time is here again—So get out those linen suits and dresses. Black and white, the infallible combination for giving a woman distinction will continue its popularity through the summer. One of the smartest expressions of this combination is the white jacket and dark dress. So if you want to be noticed—and remember—get yourself a black linen, pique, chiffon, marquisette, even a light weight black wool, in event you are taking a journey, and then, top it with a white jacket. Many little white boleros will be seen on dark dresses as the season advances. Linen embroidery and silk pique are among the materials used. Elaborate lingine trimmed boleros are effective to dress up a dark frock for afternoon.

The latest—and very latest, too, girls—for evening is mouseline de soie—old faithful but every popular—in pastel shades with high sleeves. A belt of a deep harmonizing color coming together in the front, a little higher than the back, to join two big bows, is very effective and will knock ya old stag line for a loop any old day of the week.

WEARING APPAREL FOR LADIES AND MEN

"The Store Where Quality Counts"

"Personality, Plus"

One often hears people say that Jane has an attractive personality or that Joe has the gift or gab, but one never tries to analyze the secret of these persons' success. Sally will whine that whenever Jane comes into the room she feels as though she doesn't stand a chance with the boys. Jack will say that he feels self-conscious around girls and just can't seem to think of anything to say. He just can't understand how Joe can talk so freely. Perhaps these people even feel a little envious of those others possessing such attractive traits. But it never occurs to Sally or Jack that they have a personality of their own and they need only to come out of their shell.

Psychologists say that personality is a combination of inherited and acquired factors. They say that human personality is made up of various emotional tendencies, interests, and attitudes. These characteristics are the ones that charm or repel us in our companions and friends. Then why not try to develop a sense of good fellowship and a sense of humor? It is these two that affect the people one lives with most. One should emphasize the things that are connected with dealing with one's fellow men. People continue to be distinguished by various personalities, including the style personalities, the clothes personality, and the speech personality. Throw in a dash of tact, good manners, and good fellowships and you'll have an example of personality plus.

Art Students Visit Washington

On Thursday, May 6 a number of the art students of the college visited the exhibit now being shown at the Corcoran Art Gallery in Washington, D. C.

This showing of paintings—the fifteenth of the biennial displays held at the Corcoran Art Gallery—is entitled "An Exhibition of Contemporary American Oil Paintings." The group is a cross-section of the work of American artists reflecting the present-day painting in this country, and ranging in feeling from conservative to modern. It includes the best available works exemplifying the different schools and phases of painting as they now actually exist.

Three other girls who, because of the work they themselves have been doing, were more directly interested are Misses Pauline King, Ellen White, and Marjorie Dement.

In preparation for the event the students studied the catalog carefully, noting paintings they particularly desired to see. Upon their arrival at the Gallery, they made a tour of the whole exhibit of over four hundred pictures; they were free to study selected pictures at their leisure.

This survey served as a vitalizing influence on the study the girls are making, and added greatly to their appreciation of what is being done by our American artists.

The members of Miss Duggan's American Art Class who went are as follows: Charlotte Mitchell, Kitty Turner, Jack Clark, Martha Whitaker, Ann Lipscomb, Coda Kincheol, Dorothy Clarke, Seward, Alice Phillips, Elizabeth Edwards, Margaret Tyson, Irene Blasdel, Frances McLeod, Margaret Larson, Elizabeth Jones, Betty Deckert, Elizabeth Haley, Marjorie Remus, Lura Coffey, and Dr. and Mrs. Edward Alvey, Jr.

A. A. Holds Ping Pong and Badminton Tournaments

Bid Badwell and Margaret Kettenbeck are Now in First Places

We've taken up the favorite sport of celebrities. Not only do we love the game but we like competition. So we have a badminton tournament. It's a ladder tournament. The idea is to climb the ladder and put your name on the top before May 21st.

Maybe you didn't get your name on the ladder. Maybe you can't play badminton. I'm not one to encourage "spectatoritis," but you can learn a lot by watching, then you can put your name on the ladder next time. At the present it's hard to say who will win. Every day a new name tops the list. Right now Bid Badwell is tops. Watch that ladder! Soon we'll have a "champeen" in our midst.

Along with everything else, we have a ping pong tournament. Was ever a school so full of tournaments? With all of this going on, many of us lazy folks still aren't listed in

Glee Club Hears Wilson Angel

Approximately thirty members of the glee club attended the excellent concert of Wilson Angel, young American concert baritone at Richmond on Monday night, May 10. The group, consisting of present and past members of the Glee Club, accompanied by Miss Eva Taylor Eppe, sponsor of the club, left the college campus at five P. M. and returned about midnight. Transportation in buses was furnished to the party by Hildrup's Taxi Service.

Upon arriving in Richmond the group went to the Jefferson Hotel, where the concert was presented. Mr. Angel, a very promising artist of twenty-four, is a past winner of the Atwater Kent Audition Award. This much coveted award consists of \$5,000 and several years study at the Curtis Institute of Music in Philadelphia, one of America's foremost musical conservatories. Mr. Angel's program, a most entertaining one composed of familiar and popular numbers from all types of music, pointed to the fact that his repertoire is both adequate and varied. He sang with much ease of manner and little effort and his charming personality was reflected throughout the entire performance in his singing and stage deportment.

Every girl who has been or is a member of the Glee Club this year was given the opportunity to attend the program. All expenses for the trip were met with the funds from the Glee Club treasury, resulting from the benefit "In a Kentucky Garden" and from dues collected.

any. But there are other tournaments coming. This is also a ladder tournament, "Mary" Kettenbeck heads the list, but while there's life there's hope and that ladder is just full of life. Come and see some of our "Ping Pong" (original) play.

You'll learn a lot of form. Maybe you'll get enough enthusiasm to join the tennis tournament.
